**Resolution no. 1 from 12.06.2013  
of the Regulations Committee  
of the Students' Union of Warsaw University of Technology**  
in case of evaluation of the activity of the Student Senator  
Przemysław Paszkiewicz in the parliamentary term 2013

The Regulations Committee after audition of the Senator, lecture of the annual report, own observations during a half of parliamentary term and in regard to the collected opinions of the academic community of the Warsaw University of Technology would like to draw attention to the following details, having a particular impact on the proposed assessment.

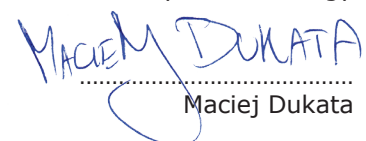

The Regulations Committee sees a huge commitment of the Senator in activity in the international area which results in increasing the prestige of Warsaw University of Technology among other European universities. The notable fact are attempts to establish contacts with more Students' Unions. The Regulations Committee acknowledges the efforts Senator sought to change both the image and the Committee itself. The current model of the Committee is different from the other, creating a coherent whole, and ensures standards which were not met previously in the work of Students' Union. The appreciation is also worthy of high activity both delegates of the Committee as well as other members who have joined in the work of the Committee voluntarily. The Regulations Committee also notes good planning and execution of the budget presented to Students' Parliament in January during the election resolutions.

The Regulations Committee would like to draw attention to the protracted settlement of some of the projects related to International Matters Committee. According to the Regulations Committee there should not be a situation that in July project from beginning of the year is still is not settled. Change of chairman of Committee during the term is raises concerns the Regulations Committee. In the opinion of the Regulations Committee despite the approaching holidays the new chairman of committee can have difficulties with her start, and will not be able to fully demonstrate her abilities during the last months of the year.

In accordance to the facts presented above, having regard to a half year activity, the Regulations Committee composed of Maciej Dukata, Anna Jodko, Małgorzata Kowalczyk, Michał Laskowski, Piotr Walczak, in accordance to paragraph 2 point 1 letter d) and e) of the Regulation of the Regulations Committee, would like to request to the Students' Parliament of Warsaw University of Technology to grant Przemysław Paszkiewicz, Student Senator of Warsaw University of Technology in year 2013, the certificate of completion of his Chairman of International Matters Committee duties.

The resolution was accepted by majority of votes.  
The protocol was prepared by Małgorzata Kowalczyk.
