### Application for consideration of special circumstances

Dear Student Accommodation Committee,

I would ask you to consider the special circumstances arising from my work on behalf of the University and the academic community, which I describe below.

| Type of commitment        | Organisation           | Function                        | Description of activities   | Time period (from – till) |
|---------------------------|------------------------|---------------------------------|---|---------------------------|
| Student Union involvement | WRS FIZ                | Supporter of WRS                | - delegate to the Cultural Affairs Committee<br>- main coordinator of the 'Dance by the Fountain' picnic<br>- assistance with organising the 'Retro Engineer Party' – clearing up after the event<br>- designing graphics for faculty sweatshirts | March 2024 – till now     |
| Science Activity          | KN Iskra               | Member of Student Research Club | - member of the board<br>- representation at the *conference name* conference<br>- active participation in the *project name* project   | February - czerwiec 2025  |
| Sport Activity            | Football sport section | Member of the sport section     | - representing the university at the Polish University Championships<br>- taking part in inter-university competitions<br>- the AZS league  | October 2024 – June 2025  |
| Inter-university projects |                        |                                 |   |                           |
|                           |                        |                                 |   |                           |

I would also like to point out that .....

I would be grateful if you could give my application favourable consideration.

Yours sincerely,
